# Introduction

*Miguel Munoz to right, with fellow numismatist Federico Claveria in the numismatic library at Superior Stamp & Coin Co., Inc.*

## The Miguel Muñoz Collection, Part 3

Rare coins can be owned and admired by a single collector . . . or can be shared with the world through exhibits, lectures and research. Numismatists can enrich the hobby by sharing their enthusiasm and knowledge with others.

Miguel L. Muñoz is such a person. Mr. Muñoz was born almost 70 years ago in San Julian Jalisco, Mexico. His lifetime of devotion to the coins of Mexico can be traced back to some 40 centavos coins that a young Miguel received as change for candy purchased from an old woman. The little boy noticed that the eagle on one coin was skinny; on another, the national bird of Mexico was fat. He then examined all of the different dates of the 40 coins. Thus, a coin collector was born. To this day . . . over a half centruy later . . . the distinguished hobbyist and scholar, Miguel L. Muñoz, still has some of those original 40 centavos in a very special place.

Miguel Muñoz has contributed generously to the knowledge of others through frequent lectures, articles and books which have become "standards" in his field of specialization. He has been the featured speaker at several A.N.A. Conventions (Houston and Washington), the New York Metropolitan Show (twice), several times at the Azteca in Los Angeles, as well as Long Beach, Dallas, Hamilton and Calgary, Canada. He has presented a paper at the First Centennial of the Societe Numismatique Francaise in Paris.

*Seated are Lawrence Goldberg and Miguel Munoz; standing in center is Federico Claveria discussing Miguel's collection*

Even a brief listing of his numismatic activities is truly impresive. Memberships include: the American Numismatic Association, Fellow of the American Numismatic Society, former President (1959-1966) of the Sociedad Numismatica de Mexico, Founder and present Director of the Academia Mexicana de Estudios Numismaticos, Fellow of the Royal Numismatic Society (London), plus T.A.M.A., O.I.N., Azteca and many others.

Miguel Muñoz is also certainly one of the most active authors in the distinguished Numismatic Literary Guild, with over fifty articles to his credit. He has won the Heath Literary Award, presented annually by the A.N.A., and amazing five times.

Miguel Muñoz, the "Dean of Mexican Numismatists," has prepared "The First Mint of Mexican Insurgents" (1968, Sociedad Numismatica de Mexico), "Historia Numismatica del Estado de Mexico" (1975, Government of the State of Mexico), "El Real de Ocho, Primera Moneda Universal" (Formento Cultural Banamex) and "Tlacos y Pilones la Moneado de Pueblo de Mexico" (Formento Cultural Banamex), reflects twelve years of research. His most recent published work is "Anthology of Mexican Numismatics" published bilingually in Spanish and English.

Superior Stamp & Coin Co., Inc. is pleased to present this, the third part of the Miguel Muñoz Collection of the Coinage of Mexico. It is our hope that the extensive Miguel Muñoz Collection will create new levels of popularity and interest in the coinage of America's southern neighbor. Miguel Muñoz's lifetime involvement, his systematic approach to both collecting and research have provided a legacy to all future generations of numismatists.

# Terms of Sale

1. This is an unrestricted auction and mail bid sale conducted by Superior Galleries (SUPERIOR).

2. All material shall be sold to the highest bidder. If any dispute arises during or immediately after the sale of a lot, the auctioneer shall have the right to recall the lot and put it up for sale again. In all cases, the auctioneer's decision shall be final. For the bidder's protection, **NO "UNLIMITED" OR "BUY" BIDS WILL BE ACCEPTED.**

3. Auction sales are strictly cash in U.S. funds payable through a bank in the United States. **LOTS MUST BE PAID FOR PROMPTLY.** No credit card purchases will be accepted. Bids cannot be accepted from those under 18 years of age without a parent's written consent.

4. Floor bidders who have not established credit with SUPERIOR must furnish satisfactory credit references or deposit 25% of their total bids for that session before such bids can be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded after that session.

5. Bids must be for an entire lot. No lots will be broken up. Lots will be sold in their numbered sequence unless the auctioneer directs otherwise.

6. All items offered in this catalogue are guaranteed to be genuine and as described. Claims to the contrary must be made within three (3) days after receipt of material. No lot may be returned without prior written consent.

7. This is not an approval sale. Bidders are expected to keep, and promptly pay for all lots for which they are the highest bidder as determined by the auctioneer. Floor bidders are encouraged to carefully examine all lots in which they are interested since **NO LOTS PURCHASED BY FLOOR BUYERS MAY BE RETURNED.** In no event may lots be returned after thirty (30) days from date of sale except for reasons of authenticity.

8. No commission is charged for executing your mail bids, and in all cases, the successful mail bidder will be awarded the lot at a nominal advance over the next highest mail or floor bid. Postage, insurance, and sales tax if required by law to be collected, will be added to the invoice on any lots that are shipped to successful bidders. If a mail bidder has not established credit with SUPERIOR, satisfactory credit references must be provided or the mail bidder must furnish 25% of his total bids for the sale before his bids can be accepted.

9. When identical mail bids are received by the auctioneer for each session, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid, and a floor bidder must bid higher than the highest mail bid to be awarded any lot. The auctioneer reserves the right to refuse any bids at his sole discretion.

10. The auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot.

11. Title to any lot remains with SUPERIOR until the lot is paid for in full. SUPERIOR reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his possession. Risk of loss is on the buyer.

12. All lots delivered in the state of California are subject to local sales tax. Individuals purchasing lots for resale must be prepared to submit an exemption certificate signed by the purchaser or his agent and recognized by the state of California, with their current resale certificate or number, or be subject to the local tax.

13. The auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing and able to pay.

14. All photographs in this catalogue are of the actual coins being sold.

15. **BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS AND CONDITIONS.**

Dear Mr. Goldberg:

On behalf of the Los Angeles Orthopaedic Foundation and Orthopaedic Hospital may I take this opportunity to thank you and your fine firm for the assistance you provided to us in selling the Houston Barry and Charles LeRoy Lowman Collections of coins and stamps. The timeliness, professional manner and attention to the many "extras" provided by you and your associates were deeply appreciated.

As you know the proceeds of this sale will be used to fund a Research Fellowship in Pediatric Orthopaedics at Orthopaedic Hospital. The result of this Fellowship will allow us to broaden our services to even more children who have corrective orthopaedic needs. This has been our goal for the past 59 years. Your enthusiastic assistance in this endeavor shows your commitment to a better community. For this we salute you.

Please be assured that as further collections are received by us we will certainly invite you to auction them on our behalf.

Our best to Superior Stamp and Coin Co., Inc. during 1981.

Sincerely,

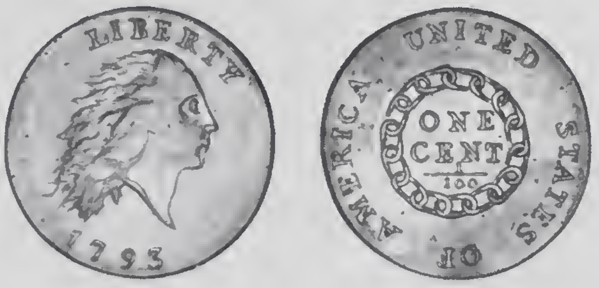
AUCTION '81 is just around the corner and represents a joint effort by four independent participating firms: Superior, Rarcoa, Paramount and Stack's.

*1793 Liberty Cap*
*Extremely Fine 40*

This year the sale will be held July 23-24 at the Hyatt Regency Hotel in New Orleans immediately preceding the A.N.A. Convention. Once again it promises to be the major numismatic event of the year, certainly comparable to AUCTION '80's record setting gross 13.5 million dollars.



*1793 Chain Cent*
*Extremely Fine 45*

Superior Stamp & Coin Co., Inc. proudly presents some of the most exciting coinage to be offered in its exclusive 500 lot session.

The highlight of Superior's session is the extensive selection of United States Large Cent Coinage. This section includes approximately 150 coins with the 1793 Chain Cent (Sheldon 3) and the Extremely Choice 1802 (Sheldon 234). All of the Large Cents are from a single collection and are without recent pedigree having been in storage for the last 40 years; completely unknown to the numismatic marketplace. Several are equal to the Finest Known specimens and are sure to create high-spirited bidder interest. There are also many choice, rare and Condition Census pieces in the late dates from 1816 to 1857.

## FOR NEW MAIL BIDDERS

If you have never before bid by mail, an explanation is needed. Basically, the procedure is quite simple. You will notice on the enclosed Mail Bid Form a place for entering the lot number as well as the amount you wish to bid. After carefully reading the description of the lot in question, simply write down the lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot # 145. Determine the maximum price you will pay for this lot and enter this amount on the Mail Bid Form as follows:

| LOT | BID | LOT | BID |
|---|---|---|---|
| 145 | 90.00 | | |
| | | | |
| | | | |

You will note that we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price that you will pay for a lot (unless you have checked one of the increase boxes.) However, there is always the possibility that you may obtain the lot for less! As indicated in our **"Terms and Conditions Governing Sale,"** we act as your agent and execute your bids as if you were there in person at the sale. We will buy the lot for you as inexpensive as possible over the next highest bid. In other words, if your bid for example is $90.00 on Lot # 145, and the next highest bid, whether by mail or floor is only $70.00, the lot would be awarded to you at $75.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read carefully our **"TERMS AND CONDITIONS GOVERNING SALE."** Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the sale in person. Many rarities are obtained through the medium of auction sales, and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sales.

Thank you,

The Auction Department

1066 **State of Oaxaca. 60 Pesos, 1916.** Guthrie-379; F-174. This is the second specimen from the famous collection of Dr. A.F. Pradeau. Dr. Pradeau had acquired both pieces from Senor Gustavo Bellon of Oaxaca. In one of three letters submitted by the consignor it is stated "that he (Gustavo Bellon) was engaged in the minting of the 60 Peso Gold, in the late afternoon of March 6, 1916. The workers in the mint were alarmed by the news that the Carrazista troops were entering the city. Immediately operations involved in the striking of 60 Peso Gold ceased. Up to that time he (Gustavo Bellon) stated that about 21 of these pieces had been struck. Senor Bellon admitted to having escaped with two of these coins. He further said that in 1927 a Dr. A.F. Pradeau had purchased both pieces." This specimen was sold by Dr. Pradeau to Mr. Sol Alexander in 1955 who in turn sold the coin to the consignor in 1972. It is indeed a privilege to present Dr. Pradeau's second specimen of the Oaxaca 60 Pesos as we did his collection in 1970 and 1971. The coin displays the characteristic minor edge flaw and minor nicks on the neck of Juarez. The reverse is semi proof-like and has one minor rim bruise at 12:00 o'clock. **Uncirculated** . . . . .($12,000.00-$15,000.00)
